Reward Day – GREEN LEVEL GO!
This Friday, students on Green Level will be invited to participate in the Reward Day for Term 1. Each class will be allocated time on the giant slide and castle. An invitation to participate is based on the positive behaviour demonstrated consistently by the students in all areas of school life. To be a safe, respectful and responsible student is the key to success at school and these reward days acknowledge the effort of each student this term.

Staffing News
Mrs Hobby will continue to teach 1.8 as the full time teacher until the end of Term 2. Mrs Carr has been offered an extension with the classroom teacher position at Wallerawang Public School.

Interviews
It has been wonderful to welcome many parents/carers to the school this week to participate in the interview process. These interviews will be offered again during Term 3. If you were unable to have an interview due to work and other commitments please contact the school to arrange a suitable time with your child’s classroom teacher. Please note that 3/4H and 5/6F interviews will be held on Thursday the 26th of March.

School Times
Please be advised that supervision for students commences at 8.30am in the morning. If your child arrives at school due to an early bus they are asked to sit down and wait for the teacher. At 8.30am the teacher will give the instruction for students to play.

Disco Success
The P&C Discos were a great success with hundreds of students attending both events last Thursday night. Students danced, had fun and enjoyed the opportunity to participate in a P&C organised event. Another disco will be offered later in the year.

District Football Success
Congratulations to Cooper, Tallan, Ethan, Daniel and Cody for being selected as members of the District PSSA Football team to represent Lithgow at the Western Region Championships. This is an outstanding achievement and well done boys.

Year 6 students moving into Year 7 in 2016
Completed Expression of Interest forms should be returned to your primary school no later than Friday 20 March 2015. Regardless of what High School your child will be attending, please return your form so the school is aware of your preference.

Volunteers for Term 2 Kindergarten Activities
Kindergarten teachers are calling for volunteers to assist with the delivery of the Kindergarten Activities program next term. Activities are held one day each week and will go for ten weeks. If you would like to assist please collect a Working with Children Check form for volunteers from the K-2 office. An induction session will be held for all participants before the commencement of the program.

Facts about fractions
If you’ve forgotten 3/5 of primary school maths and 7/8 of high school maths, what’s left? Ah ha! Kids need help learning how to add fractions too. The only thing left is to print these fact sheets.

Amazing art
