3rd February 2015

Dear Parents,

In mathematics this year students will be supported by a text book. Kindergarten will work from *Maths Plus* text book.

As the children will be writing in the book, it is necessary for each child to have their own copy. The school has the books available for sale to students. The cost of the text book is $22.00. They can be purchased by completing the order form below and returning it to your child’s class teacher with the money.

As we would like to start Mathematics groups as soon as possible, we would appreciate you ensuring your child has a copy of the text book. If you have any issues or concerns please contact me.

Donna Quinn
Assistant Principal
